Special to the Gazette.

DALLAS, TEX., Nov. 2.—Sunday, and the last day of the fair are both here and everyone is glad. There is no such pool in existence, and it is not to be expected. If it had been I presume that I would have been consulted about it. We have, as you know, a strong new association for the maintenance of rates in which all these interests are represented. It is built on a stout platform, and it promises well for the rate situation in the Southwest.

"It is said you favor the establishment of a joint agency at Eastern points?"

"Yes, I do, for I believe that it would be the means of saving thousands of dollars
